Domaine Bouquet is located in Mendoza, Argentina. The Bousquet family, originally from the south of France, have 4 generations of history in the winemaking tradition. The objective of the Bousquet family is to unite the tradition of European wine making with the ideal agricultural conditions in Mendoza. The result is extraordinary wines that boast incredible color, delicious fruity character, good structure with ripe tannins and perfect acid balance.

Angela's is excited to introduce Tim Wilkes, the U.S. representative for Domaine Bousquet, who will be our guide for the evening. Tim will be sharing his knowledge of Domaine Bousquet wines and winemaking in Mendoza, Argentina.

A selection of wines from Domaine Bousquet will be sampled during the evening accompanied by food pairings prepared by our chef, Mike Simmons, that are specifically designed to complement the wines. Please join us for an enjoyable evening of food and wine.

Attendance is limited to the first 24 customers to register. Payment is requested at time of sign-up. See any store associate to register.
